

## TALENT SEARCH – ASSISTANT MAINTENANCE PLANNER

---

Galiano Gold Inc. is a dual-listed (NYSE: TSX) mining company focused on exploration, development, and operations. Its subsidiary, Asanko Gold Ghana Ltd, is a multi-pit mining complex on the Asankrangwa Gold Belt, featuring a 5.5Mtpa processing plant with expansion potential.

### THE OPPORTUNITY

Asanko Gold Ghana Ltd is seeking to employ a well-motivated and experienced **Assistant Maintenance Planner** to join the team. The successful candidate will contribute to the reliability and efficiency of systems to support smooth operational performance while ensuring compliance with safety regulations and company standards.

### JOB PURPOSE

The **Assistant Maintenance Planner** will assist in managing maintenance activities effectively and efficiently to achieve production targets.

### KEY RESPONSIBILITIES:

- Assist in the creation, distribution, and tracking of work orders to ensure they are accurate and complete.
- Develop and maintain preventive maintenance schedules, coordinating with operations and engineering teams to ensure timely and efficient completion of work.
- Support in the management of spare parts and supplies to ensure that necessary materials are readily available for planned maintenance.
- Collect and analyze maintenance data to identify trends, potential issues, and areas for improvement.
- Collaborate with other departments to ensure seamless coordination of maintenance activities.
- Maintain accurate records of maintenance activities, work orders, and equipment history.
- Ensure that all maintenance activities comply with relevant safety regulations and industry standards.
- Support efforts to minimize maintenance costs through efficient planning, resource management, and inventory optimization.
- Assist with the planning and execution of maintenance projects, including capital improvements and upgrades.

### KNOWLEDGE AND SKILLS

#### Knowledge and Experience

- Degree or HND in Mechanical Engineering or related qualification from a recognized tertiary institution.
- Must have a minimum of three (3) years in maintenance planning and scheduling (including managing shutdown planning and execution) in a mining industry.

#### Skills

- Experience in planning major shut down operations in a mining or similar industry.
- Ability to use analytical tools such as, Pareto, Six Sigma methodology, etc. for process analysis
- Knowledge and experience of Operations and Maintenance work practices and procedures.
- Must have good experience in related CMMS software.

## APPLICATION PROCESS:

Submit your application by **June 30, 2025** through any of the means below:

- a. [applicants@asanko.com](mailto:applicants@asanko.com)
- b. *Manager, Organizational Capability,  
Asanko Gold Ghana Limited,  
No. 4, Sir Arku Korsah Road, Airport Residential Area,  
P. O. Box CT 6153, Accra-Ghana.*

Your application should follow the guidelines below:

1. **Subject:** Application for Assistant Maintenance Planner
2. Cover letter highlighting maintenance planning expertise.
3. CV (max 4 pages) with qualifications, experience, and referees.
4. Copies of relevant certificates.

***Please note: Only shortlisted candidates will be contacted.***
